## THE EVENT

**Mallorca International Football Cup** (MIFC) is a sport event organized by **Vicente Del Bosque Football Academy**.

From 2011 to the present, the Academy has become a global project of sports formation in values, with **more than 15,500 participating athletes of 26 nationalities**.

After the second international edition last April and June 2023 in which **96 teams from 8 international countries have participated, 1,500 participants, 205 matches** have been played in **7 soccer and futsal venues**, in addition to **10,750 families and fans attending the matches**. Our trajectory motivates us, even more if possible, to establish both tournaments in the calendar of the season as a sporting, touristic and integrating event of world reference.
